

Research Colloquium on 'Crowd Dynamics and Financial Markets' Fall 2015

Monday 14 September, 3-5 pm, Porcelaenshaven 18A, Room 3.135

Brigitte Weingart: '(Don't) Spread the Word: Rumours and Other Forms of Viral Communication'

Brigitte Weingart is Professor in the Department for Media and Theater Studies at Cologne University. She is currently working on a book on the genealogy and media history of fascination. Former books include a study on Infectious Words: Representations of AIDS (*Ansteckende Wörter*, Suhrkamp 2002) as well as co-edited volumes on the trope of the virus, on appropriation and 'original copies', the relationships between the visible and the speakable, and the communication of rumours.

Monday 26 October, 3-5 pm, Porcelaenshaven 18A, Room 3.135

Gareth Dale: 'The Structuring of Spontaneity in Movements and Markets'

Gareth Dale teaches politics at Brunel University. His publications include books on Karl Polanyi, the GDR and Eastern Europe, and international migration.

Monday 23 November, 3-5 pm, Porcelaenshaven 18A, Room 3.135

Emilio Marti: 'Unintended Maintenance Work: How Financial Crisis Entangle Critics'

Emilio Marti is currently a visiting scholar at Cass Business School (City University London) on a scholarship from the Swiss National Science Foundation. He received his PhD from the University of Zurich. His research interests include corporate social responsibility, financial innovations, financial regulation, performativity, and socially responsible investing. One of his papers is forthcoming in the *Academy of Management Review*.

Wednesday 9 December, 3-5 pm, Porcelaenshaven 18A, Room 3.135

Dan Zahavi: 'Perspective Taking and Group Identification: Lessons from Phenomenology'

Dan Zahavi is Professor of Philosophy and Director of the Center for Subjectivity Research at the University of Copenhagen. In his systematic work, Zahavi has mainly been investigating the nature of selfhood, self-consciousness, intersubjectivity, and social cognition. He is currently working and publishing on issues related to we-intentionality and group-identification. He is author and editor of more than 20 volumes including *Subjectivity and Selfhood* (MIT Press 2005), *The Phenomenological Mind* together with S. Gallagher (Routledge 2008), and most recently *Self and Other* (OUP 2014). He is co-editor in chief of the journal *Phenomenology and the Cognitive Sciences*.

Monday 5 October, 8:30am-6:30 pm, Råvarebygningen, PorcelænsHAVEN 22

The 2015 Copenhagen Business School Symposium on High-Frequency Trading

Confirmed speakers include: Robert Almgren (President at Quantitative Brokers; New York), Evangelos Benos (Senior Economist at the Bank of England), Björn Hagströmer (Associate Professor in Finance, Stockholm Business School), Alberto Garcia (Senior Officer, ESMA), Markus Loew (Head of Unit Market Microstructure & Latency, Eurex), Bjørn Sibbern (President of Nasdaq Copenhagen, Senior Vice President and Global Head of Nasdaq's Commodities Business), Robert Smith (former CEO and Managing Director of GETCO Europe), Sam Tyfield Partner at Vedder Price; London), and Tommi A. Voorenma (Triangle Intelligence).

The research colloquium and the conference are organized under the auspices of the Sapere Aude research project on 'Crowd Dynamics in Financial Markets'. For further information, please contact Professor Christian Borch, cbo.mpp@cbs.dk, or visit info.cbs.dk/crowds where abstracts are available.
